SUMMER SOLSTICE - Edition #6

21st June 2022

I can see you,
Your brown skin shining in the sun,
I see you walking real slow and you're
Smiling at everyone
And I can tell you my love for you will still be strong,
After the boys of summer have gone.

"The Boys of Summer"

Don Henley & Mike Campbell 1984

Exhibition time again...

It's nearly time for the **farOpen Art Trail** of 2022 and we're very pleased to be opening the doors of our studio, once again. It's totally free, no admission charges and no need to book an appointment.

This year the **farOpen Art Trail** Exhibitions run from 2nd to 10th July 2022 inclusive. Feel free to pop in at any time during our opening hours (please see below) where hot and cold drinks, a selection of nibbles and, above all, a warm welcome, await you.

There's an online brochure listing all of the Art Trail exhibitors, their dates, times and examples of their work, which you can download from the **farOpen** website at:

<https://www.faropen.co.uk/2022-trail-map--brochure.html>.

There are maps, too, so you can find your way to any of the 56 open studios scattered throughout the Forest of Dean – including us!

Alternatively, printed brochures are also available to collect from many local outlets such as cafes, shops, pubs, garages... and even from Bathurst Pool, Lydney's beautiful outdoor swimming venue. (Please visit the **farOpen** website for details about these outlets and their locations.)

Our Studio (Studio 15)

We will be open on the following dates and times...

What will you see in Studio 15?

This year, two distinct themes form the basis of our exhibition: our newly-designed display will feature special exhibits of Carmen's Aquatic Art and Stuart's Pen and Ink Drawings

In addition, you'll be able to browse through our many other subjects too, including portraits, colourful landscapes and abstract works, many of which you'll find amongst our selection of generously discounted, mounted prints.

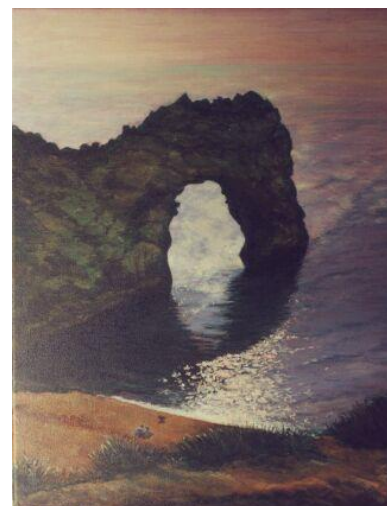

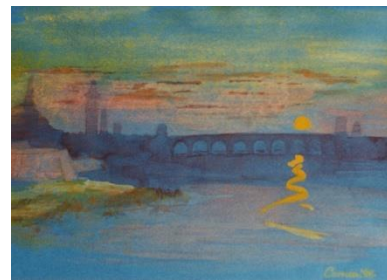

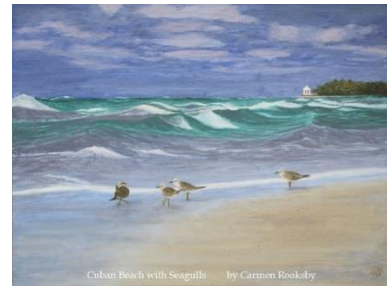

Don't forget our popular range of smaller gift items, such as Carmen's handmade greetings cards and upcycled gift bags, which will be available, too.

But do please remember: this is primarily an exhibition of our work – not a sale room, so feel free to just wander in, browse and ask questions – we love to talk about our art!

Here are some examples of what you'll see:

Carmen's Aquatic Art...

Stuart's Pen and Ink Drawings

Well that's all for this edition, so we wish you all a very enjoyable summer season. Look after your health and - even if you can't get to our exhibition - love each other and LOVE the ART!

Until next time...

Carmen & Stuart
